Reactive Strategies Review Process Part 2

On May 31, Rita Cooper, Area Behavior Analyst for the Western Region, presented Reactive Strategies Review Process Part 2-What does it mean for the team? This webinar offers next steps in the process described during the April 12 webinar-[Reactive Strategies Review Process](#). This webinar is designed for TCMs, providers, regional office staff, and anyone interested in understanding how to do reactive strategy review. The [presentation](#) and [webinar recording](#) are now available on the Division's [previous webinar page](#).
